

Thanks for Making the Spring Intensive 2026 a Success

Thank you to everyone who joined us for the 2026 Spring Intensive: Regulatory Update, jointly hosted by the Oregon Hospice & Palliative Care Association and Washington State Hospice & Palliative Care Organization.

Held for the third consecutive year at the Sheraton Portland Airport Hotel and generously sponsored by [MatrixCare](#), this year's conference brought together 90 attendees from 2 states for two days of learning, collaboration, and community partnership.

The conference featured 12 educational sessions, 10 exhibitors, and outstanding faculty presentations including keynote speaker Ashley Meagher, plenary speaker Erin Collins, and regulatory expert Judi Lund Person.

Most importantly, the conference reflected our shared mission: strengthening care through community partnership. We are grateful to our attendees, speakers, exhibitors, sponsors, and planning partners for helping make this year's Spring Intensive such a meaningful and successful event.

A special thank you as well to the wonderful staff at the Sheraton Portland Airport Hotel for their hospitality, support, and partnership in helping the conference run so smoothly once again this year.
